Dear Parents

Application Procedure

Thank you for your request for information about Herington House School. I hope that you will find this prospectus both informative and interesting.

At Herington House we offer a caring environment for the full realisation of a pupil's potential. The school is a preparatory day school for girls and boys between the ages of three and three-quarters and eleven. The pupils achieve high academic standards, giving them the opportunity to enter grammar and independent schools of parental choice.

Please complete and return the enclosed application form. You will then be offered an appointment to meet the Principal, who will be pleased to show you round the school. At the interview you will be advised as to whether a definite place can be offered for your child or whether he/she will be placed on the waiting list. If you are offered a definite place, you will be asked to complete a registration form and pay a deposit of £250. This will be deducted from the first term's fees when your child starts school.

A child who is offered a definite place before three years of age will be invited to visit the school ten months prior to entry. All children will be invited to spend a morning or a day in school during the term prior to starting.

Herington House School participates in the Essex County Nursery Voucher Scheme for qualifying four year-olds.

Yours sincerely

R Dudley-Cooke
